

Podcast 1: Well That's College

Intro

- Welcome
- Your hosts
 - Names, year, studies, hobbies
- Explain the big-idea topic of the podcast
- Transition, say some shit about starting at “square one” or “from the beginning”

Segment 1 - Choosing a school/getting into school

- Discussion **with Michael**
 - How did you feel about college in high school? What were your general perceptions of it?
 - And how do you feel about college now?
 - What was your journey like? Choosing schools? Applying?
 - How did you choose your final school?

Segment 2 - Choosing a roommate

- Discussion **with Michael**
 - So, when we came in Freshman year, what was the rooming process?
 - How'd you end up with your current roommate??
 - How many roommates have you had?

“Urban Dictionary Word of the Day”

Outro

- Your hosts
- Thank guests
